Don Hagen

Don is a retired history teacher from the Auburn School District, where he spent twenty-nine years at Cascade Jr. High, and four years at Auburn Riverside High School. His latest (and first) book, recently completed, but as yet unpublished, is **THE BRAIN MOLDER**—“Adventures of an Unconventional Teacher.” The book is a collection of stories about “molding” the minds of his students, and also chronicles many of the scams and practical jokes he initiated during the time he was in the classroom.
